

國立陽明交通大學分子醫學博士學位學程
國際研究生分子醫學學程
指導教授同意書

Program in Molecular Medicine National Yang Ming Chiao Tung University
Taiwan International Graduate Program in Molecular Medicine
Advisor Consent Form

入學年度 Year of Admission : _____

茲同意學生_____進入實驗室修習，並指導該生論文研究。

I hereby agree that the student _____ has been granted permission to join the laboratory and will receive guidance on their thesis research.

學 生 簽 名 Student Signature _____

指導教授簽名 Signature of Advisor _____

學程負責人簽名 Signature of Program Coordinator _____

學程主任簽名 Signature of Program Director _____

申請日期 Date of application :

備註：

學生於入學後第一學年內，至少須完成兩個實驗室輪習（每學期至少一個）。

學生於入學後第一學年第二學期 6 月 30 日前，需繳交經實驗室主持人（PI）簽署之「指導教授同意書」送交學程辦公室，並確認其為論文指導教授，以完成指導教授選定程序。

若未能於第一學年 8 月 30 日前完成上述指導教授確認及文件繳交手續，學程將終止該生獎助學金之發放。

Notes

Students must complete a minimum of two laboratory rotations during their first academic year, with at least one rotation conducted per semester.

By June 30 of the second semester of the first academic year, students are required to submit the "Advisor Agreement Form" signed by a Principal Investigator (PI) to the Program Office to officially confirm their thesis advisor and complete the selection process.

Failure to complete the advisor confirmation and submit the required documentation by August 30 of the first academic year shall result in the termination of the student's scholarship and all program-related financial support.
